RE: MT. TIPTON WATER COMPANY – APPLICATION FOR A RATE INCREASE,
DOCKET NO. W-02105A-13-0415

LETTER OF DEFICIENCY

Dear Mr. Wene:

In reference to your rate application received on December 2, 2013, this letter is to inform you that your application has not met the sufficiency requirements as outlined in Arizona Administrative Code R14-2-103.

Staff has found that your application did not include the required ADEQ MAP invoices and a schedule containing the plant additions and deletions since the last rate case. The 30-day sufficiency determination period will begin anew when the Company corrects the deficiencies and Docket Control receives an original and sixteen copies of the corrected pages.

You have 15 calendar days, or until January 14, 2014, to correct the deficiencies or make other arrangements with Staff to remedy your rate application. If the corrections or other arrangements are not made by the above date, Staff will take further action to ensure that the Company fulfills its compliance requirements.

The Staff person assigned to your application is Briton Baxter. He can be reached at (602) 542-7195, or toll free at (800) 222-7000, if you have any questions or concerns.

Sincerely,

James Armstrong
